GENERAL INFORMATION

The Longfellow Club offers a comprehensive and progressive junior program for children interested in learning the great game of tennis. Our professionals are certified instructors who delight in sharing their knowledge with children of all ages. Our clinics are divided by age and skill level and we also offer opportunities for match play, mini tournaments, and sanctioned tournament training.

The Longfellow Club now follows the USTA's QuickStart program for developing junior players using modified courts (size specific) and balls (low compression). The benefit of this system is that it gets children to play the game quickly!

Clinics will begin Wednesday, September 8, 2010 and run through Sunday, June 19, 2011. Enrollment is open to all current players until Monday, June 14, 2010. After June 14 enrollment will be open on a first come, first served basis. Payment is due upon registration. Please remember that a junior's membership (\$175) must be up to date to join a clinic.

USA TENNIS

The USA Tennis program is designed for players ages 8 - 13 with ability levels ranging from Beginner to Intermediate players. The program is designed to introduce young players to the great sport of tennis and give them the necessary skills to have fun and be successful. The **Beginner (B)** clinics are for players who have little or no previous experience with tennis. The **Advanced Beginner (AB)** clinics are for players who have some experience with tennis but are still working towards playing points and rallying. Our Tuesday and Thursday clinics are perfect for younger players graduating from the Zip Zone. The **Intermediate (INT)** clinics are for players who can rally and play points.

HIGH SCHOOL

The High School program is for players either on or preparing for, their high school teams. The program is divided into 4 groups. **Division I** is for varsity level players; **Division II** is for junior varsity level players (Div. I & II must be in the 9th grade or higher); **Division III** is for players who have less experience with tennis. We also offer a **Pre High School Team Training** program for players 12 - 14 years old who are preparing to play on their high school team. The program is designed to work on the skills necessary to be successful at the high school level.

PAYMENT OPTIONS

✓ Full Year Commitment.

By committing to the full year you receive two main benefits: a reduced price and priority enrollment. If you select this option and withdraw from the program, you will be assessed a 10% fee and we will not refund your money unless we can fill your spot. High School players may select this payment option and withdraw from the third session with no penalty. Two payment options are available with a full year commitment.

• **Installment plan** (you must provide a credit card that we will store on file and you will be charged in 3 installments, on 6/14/2010, 11/8/2010, 2/21/2011.)

• **Full Amount in Advance** (pay the full amount for the year by cash, check or credit card.)

✓ Pay by Session.

Payment is due at registration. Only a limited number of spots will be held for this payment option. If you elect to pay by sessions, you will be charged an increased price (reflected on the price page of this application) and must let us know by the above payment due dates whether or not your child will continue. If you do not let us know by that date, we will charge you for that session and will not refund your money unless we can fill your spot.

Note: The vast majority of our students continue for the full year. The new full year payment option was very successful this year and we are continuing it for 2010-2011 with a few minor changes that are indicated above. If you are a high school player and you make your varsity or junior varsity team, a full season will be considered only the fall and winter. If you would like to continue to work on your game in the spring we welcome you to do that and many do.
